

# Young Carers Commitment Cannon Park Primary School

Cannon Park Primary School is committed to develop provision for young carers and their families.

We will capture the commitment by widening our provision, building on the needs of the children and better meet young carers' needs by reviewing Cannon Park's provision for young carers with a view to ultimately achieving best practice.

How we will achieve this:

- The school is committed to meeting the needs of young carers so that they can attend and enjoy school in the same way as other children and achieve their potential.
- The school has a designated Young Carers' School Lead with responsibility for young carers and their families. Pupils and families will be made aware of the identity of this lead and how to contact them to access support.
- The school only shares information with professionals and agencies on a need to know basis in order to support pupils and their families.
- The school actively seeks feedback and ideas from young carers and their families to shape and improve support.
- The school uses Pupil Premium funding to minimise any barriers to education and learning experienced by eligible young carers.
- The school has an effective referral system and strong partnership in place with relevant external agencies, including the school nurse and the Young Carers' Service.

We will strive to achieve best practice for children and families in our school community in order to provide them with the best chance of success in their future.

Mr T Ray

Deputy Head Teacher
