Issue Number 22 – Friday 3<sup>rd</sup> May 2019

Dear Parents/Carers,

I hope you all had a wonderful Easter Break.

Firstly, I would like to thank everyone who took part in the Easter competitions and joined in the parade at our celebration assembly on the last day of the Spring term. It was such a lovely atmosphere around the school and everyone thoroughly enjoyed themselves. Well done!

This term we have lots of exciting things taking place and the staff are working really hard to provide a wide range of learning opportunities, whether it is on a school trip, swimming, cycling, music, taking part in an after-school club or booster class to promote the children's engagement in their learning. Mr Ray is keen to start his new Football Club this week and Mr Young is really pleased with all the children's efforts in his after-school class. May I also introduce our new trainee PGCE student from Warwick University Miss R. Bottrill who will be working in Year 3, we wish her all the best during her time at Cannon Park Primary School.

The School Council will be working with all the children this term to organise and plan our 'Superhero – Citizenship Day' which is taking place on Friday 10<sup>th</sup> May, which they are all really excited about. Thank you to them for all their time and effort and to Mrs Aston and Mrs Reihill who support and help them.

Friends of Cannon Park worked tirelessly during the last term to help raise funds for the school, so I would like to thank them on behalf of everyone at school for all their time and efforts. Their Newsletter will be sent out via SIMS pay soon which highlights all the funds raised and the agreed resources that the school will purchase. Thank you so much to everyone's efforts in supporting the school, we have certainly been able to enrich the children's school life with this extra funding.

As a lifelong fan of BBC's Strictly Come Dancing, Mr Wilson has been given the wonderful opportunity to take part in 'Coventry Does Strictly Come Dancing 2019' on the 10/11th May to support the charity: Coventry and Warwickshire Mind. Over the last 6 weeks, as a complete novice, he has learned to dance the Jive and the Viennese Waltz, with professional dancers, as well take part in a group dance. With only a week to go before the competition, he is putting in lots of practice after school and during the weekends. It just goes to show it's never too late to learn something new and develop new interests! the best of luck from everyone in our school community.

I hope you have a lovely weekend.

Yours sincerely,

Mrs V. MacDonald
