Dear Parents/Carers,

I hope you are safe and well.

As you will probably be aware, earlier this week the government published guidance about schools planning to welcome more children back, starting with Reception, Year 1 and Year 6.

The guidance for this to begin is as soon as it is safe, but this is only if certain conditions are met (e.g. concerning health data and the current "R" value). The government will be reviewing the data and will also be issuing schools with further guidance.

At this time, we are working very hard, with the Local Authority, to plan how we might be able to follow this guidance to welcome back more children, whilst ensuring safety is the top priority.

We appreciate you will have lots of questions and concerns. We are working on this as quickly as we can to put the best possible plans in place and to provide you with the information you need. Please can we ask you to be patient with us until we can give you more information.

Thank you for your replies to our first survey, it has given us an indication as to what action you may be taking if the school does reopen. Whilst we know your responses were only based on your immediate thoughts, it has been really helpful. We hope to be able to provide you with further information early next week so you can make further decisions, based on our plans, as to whether you will be bringing your child/children into school. Another survey will then be conducted.

Thank you so much for your continued support and understanding, it is very much appreciated.

Kind regards,

*Mrs MacDonald*
