Friday 22<sup>nd</sup> May 2020

Dear Parents and Carers,

Thank you so much for all your continued support this week, it is very much appreciated.

**Reminder**

Please continue to go to our school website for updates, information, letters and Newsletters, learning activities and support.

**Moving forward to reopening the school**

The second survey that you received and replied to has helped inform our planning for when the school reopens. Those parents whose children will be attending school, will receive a letter today to confirm arrangements. Those parents who have decided to keep their children at home, will also receive a letter to provide them with information on their child/children returning to school at a later date, if needed.

May I remind you that you will **not** receive a penalty if your child does not attend school, there is no pressure on parents/carers to bring their child/children into school. Online learning will continue through Google Classroom and you will still be able to keep in touch with the school via the admin email.

Whilst we have put plans in place to return to school, final decisions will be announced on the 28th May following the Government COBRA meeting. The LA will then inform all schools of what will happen next. We will then get in touch with the relevant parents to give them the next set of information about the reopening of the school.

Further reassurance on the school reopening will come from the School Risk Assessments that have been completed. These will have to be signed off by our School Governing Body and the Local Authority before the school is allowed to reopen. All the plans, procedures, resources and training are continuing to be put in place to ensure a safe reopening of the school so that when the RAs are signed off the school will be ready.

It is half term next week so Google Classroom will continue to be accessible to the children to post their learning, but the teachers will not be responding during this time. Please try and enjoy the break as best you can, sunshine is promised!

Thank you to everyone for your continued support and kindness. To receive emails of thanks gives us all a real boost of encouragement and spurs us on to continue to all work together as a team! Our school values are a strength of us all so well done!

If you have any further concern or queries, then please do not hesitate to contact the school via the admin email.

Yours sincerely,

Mrs MacDonald
