## NEWSLETTER

Issue Number 2 – Monday 4th May 2020

Dear Parents/Carers,

This Newsletter is dedicated to saying a huge big thank you and we miss you all! Your support, kindness, commitment, and teamwork during these difficult times have been much appreciated. The nation is into its 7<sup>th</sup> week of lockdown and the hard work and effort of our community to pull together and get on, have been remarkable and wonderful. We are extremely proud of our children and how they have shown all our school values during this time which is why we are celebrating with a 'Cannon Park School Values at Home' week! To start this week off all the staff would like to send messages to the children so if you can show the children them we would be most grateful.

### Reception

"Hello Reception, we can't believe how brilliant you have been! Every day, we look forward to seeing all the wonderful activities and learning you have been doing whilst at home, and it makes us incredibly proud. Keep practicing your reading and writing skills, enjoy doing new things, explore nature, and be super helpful and kind to your family. We miss you all very much and hope to see you soon. Take care, Mr. Wilson, and Miss Roberts."

I really look forward to seeing your posts each day. Please keep sending them. I can't wait to see you all soon. Best wishes, Mr. Kelley and Miss Softic"

### Year 6

“Hello Year 6, we hope you are all staying safe by looking after your physical and mental well-being. We miss you all and hope that you have managed to find some respite during this long pause in our lives. We just want to say how proud we are of every one of you for the wonderful work that you have shared on the Google Classroom whilst also giving mention to those of you who prefer not to post your work - it has been fantastic to hear that some of you have taken up baking, sudoku and some of you have even discovered a new found love for scientific experiments. There are also those of you whose parents are still working which has meant you have had to increase your responsibilities at home and for this, you should be proud of the new life-skills you have learned. Whatever your routine, whatever learning at home looks like to you, know that we are here to support you and that you are doing a great job. Best wishes Mr. Young, Mrs. Nagra, and Miss Gillepsie.”

### Mr Sawbridge and Mr Cotton – PE Apprentices

“Hello everyone! I hope you are all well and keeping yourself safe. We are missing you so much and we’re all hoping it’s not too long until we’re back together! We would like to give you a HUGE thank-you for keeping yourself active and sporty at home! We would love to hear about how you are getting on with the everyday challenges on ActiveMay. Let’s see if you can do it for each day, getting your Bronze, Silver or Gold. Remember it’s important to stay active and healthy. GOOD LUCK!”

### Mr. Ward – Site Service Officer

“Hello children, the school is looking quite different now all of the leaves on the trees have come out, the blossom is on the trees. The football pitch has dried out and we are looking forward to you all playing on it. There have been a couple of chalkboards placed outside for you all to use, try, and guess where I have put them. There has been a lot of painting going on with 4 of the classrooms being painted, I am just finishing off the last one this week. Again try and guess which ones I have painted and the colour. I look forward to seeing you all very soon. Take care.”

### Mr Wood and Miss Tremain – School Office

“Hello, parents and carers, thank you so much for all your support and understanding during these difficult times. Our communication links with you all have been positive and your feedback has been so thoughtful and kind. We have tried to ensure that you have been kept well informed and have appreciated your time and commitment to the school. We hope all the children are safe and well. Take care.”
