Cannon Park Primary School Newsletter

Issue Number 4 – Monday 18th May 2020

Dear Parents/Carers.

I hope you are all safe and well.
Your continued support and understanding have once again been amazing and we really cannot thank you enough for your patience and commitment to working with the school.

Coronavirus Update

I will be updating you this week on some of our plans on how we hope to gradually reopen the school. We are still waiting for guidance and reassurance from the LA and the government on how to do this so as soon as we are informed I will be sending out further information. Please be reassured we are working so hard, with the support of the governors, to reopen the school in the best way possible.

Let's celebrate Art Week 2020!

Thank you so much for all the artwork you have shared in your classrooms from art week. I loved all the rainbows, glitter, painting and drawing and I know your teachers loved seeing them too. There were so many that I've only shown a snippet here. Please see the website and your Google Classroom for a more detailed view of all the artwork received.
