

CANNON PARK PRIMARY SCHOOL

NEWSLETTER

Issue Number 8 – Monday 13th July 2020

Dear Parents and Carers,

This is the last Newsletter of the year so I would like to take this opportunity to thank you all for your kindness, support and understanding over the last school year. We have certainly had a year like no other and one that has certainly challenged us all in different ways. Your feedback has been full of praise and admiration for the staff and the hard work they have done to ensure the remote learning has been successful. You have also thanked us for all the communication and support we have given to both you as parents and the children. The governors have thanked us for all our hard work and have been very supportive throughout the year and have offered us advice and guidance, which has been much appreciated. And, the LA have been extremely impressed with all the work we have put in place to ensure the safety of all. So, I would like to thank everyone for their commitment, hard work and support to the school and for all that we have achieved. Well done, everyone!

To celebrate the end of the year the staff for each year group would like to send their final message to the children.

Reception

I am so incredibly proud of each and every one of you. You have rose to the challenges with determination, and have produced some great work , with an amazing can-do attitude. You have been a wonderful class, and I have loved teaching you this year. I wish you all a fantastic summer holiday. Mr Wilson and Miss Roberts.

Year 1

Hello, Year 1! Well, what an amazing time we have had together! We have learnt so many new things and made lots of wonderful memories. Our favourite must be when the Evil Pea came into our classroom and tied up all of Supertato's veggie friends! We have loved getting to know your amazing personalities so well, and you have made us both laugh and smile every day! It has been a pleasure to watch you all grow, not only taller but in confidence too! You are an incredible class, who always show kindness, warmth and compassion to each other. We are so proud of you all and will miss you enormously next year. You have all given us treasured moments that we will never forget. We hope you all have the most amazing summer. Keep shining bright, like the stars you all are!

Miss Swain and Miss French

Year 2

Hello, Year 2, I can't quite believe we have come to the end of the summer term and it is such a shame that we haven't been able to spend that time together. You have worked so well at home and it has been lovely to see how you have continued to show your Cannon Park Values in everything that you do. We are so proud of each and every one of you. I have been lucky enough to speak to some of you and have even seen some of you in school. I have really enjoyed hearing all of your news and even though you are missing school I know you are all looking forward to coming back in September. If I haven't spoken to you yet, I will be trying again this week. I hope you have a lovely summer, please make sure you do something that makes you smile every day.

Mrs Amphlett and Miss Delargy

Year 3

Well, Year 3 - what a strange year it has been! Who'd have believed that when 'Mo the Animal Man' came to visit us in September the year would have turned out as it has! Nevertheless, Miss Softic and I have both really enjoyed teaching you in Year 3. You've all worked very hard and made lots of progress with your learning. My personal highlight was when you all performed our Ancient Greek performance to the rest of the school on the last day before lockdown - I was so proud of you all. I'm certain that you'll all do really well in Year 4 - Miss Ashby is very lucky to have you in her class. I hope you all have an enjoyable summer holiday and remember to say "Hi" when you come back in September!

Mr Kelley and Miss Softic

Year 4

Year 4, Thank you so much for being such a fabulous class. We are sad that we didn't get to spend the whole year together but we wanted you to know how much we enjoyed the time we did spend together in the classroom. We are so proud of the support and encouragement you have shown each other both in school as well as the Google Classroom this year and we hope you are proud of it too. You have tried your hardest to show the Cannon Park School Values in all that you do. We are sorry that we are not able to say goodbye and good luck in person but we can't wait to see how you grow and mature throughout Year 5. Stay safe and enjoy your summer.

Miss Ashby & Mrs Kailey

Year 5

How lovely it has been to have had a class that makes saying goodbye so hard!

You have made us all so proud, with your amazing learning, determination, perseverance and teamwork over the last two years. This has been even more apparent in your home learning, and we have loved seeing your continued growth and independence in the Google Classroom. You have all made amazing progress and it has been a pleasure to watch your personalities develop, confidence grow and firm friendships flourish. We are so sad that we didn't get to spend our final term all together, but look forward to seeing you all next year, where we are sure you will make Mr Young just as proud as you have made us. Be kind, stay safe and we'll see you in September. – Mrs Aston, Mrs Reihill, and Miss Cleveland.

Year 6

It seems unfair that such a remarkable cohort has had their year cut short due to the circumstances we are all currently facing and yet, I remain hopeful and confident that each and every one of you will rise through this difficult period of your lives and look for the positives in all that you do as the world begins to open up again. It has been my pleasure and privilege to teach you all and to witness you grow, laugh, smile, and learn are just a few of the reasons that you continue to inspire me to do what I do. Before I say goodbye, I would like to remind you all that this is merely the beginning of your academic and social journey through life. You will thrive, you will succeed, and you will continue to have a profoundly positive impact on those that are around you like you have done so with me. Finally, I would like to wish you the very best in all your future endeavours and to let you know that you will be truly missed. – Mr Young

Year 6 what can I say, you have all been amazing this year. You really have made us so proud of your dedication and enjoyment of learning, even whilst at home during the last couple of months! It has been a joy to watch you all grow and become such great role models in our school. The memories we have made this year will last a life-time: Dol-y-Moch and our impromptu Friday football sessions to name a few. I will miss you all and wish you the very best of luck as you start your journey into secondary school – Mrs Nagra

Well done to everyone!

Yours sincerely,

Mrs MacDonald
