7th July 2020

Dear Parents and Carers,

I would like to update you on what our plans are up until the end of the term in regards to the reopening of the school in September. The government have made it clear that schools will reopen in September for all year groups so I expect to be emailing you our plans late next week. The school are following the advice and guidelines from the government and local authority to ensure our new Risk Assessment adheres to those guidelines and is approved by the relevant union reps, staff and governors. Once our RA has been approved we will be sharing our plans with you to ensure we are all ready for September.

Over these next two weeks, there will continue to be online learning tasks which I hope all the children will take part in and our final Newsletter will be out next Monday.

There are still some reports that need collecting so Mr Wood will be sending out a message on when they can be collected from school this week. You should also have received, in your child's report, the name of the teacher/s and teaching assistant your child will have next year. If you have any queries about the reports then please get in touch via the school email [admin@cannonpark.coventry.sch.uk](mailto:admin@cannonpark.coventry.sch.uk) or your child's year group email.

Thank you as always for your support and understanding, it really is much appreciated.

Yours sincerely,

*Mrs MacDonald*

Mrs V. MacDonald
