Wednesday 29<sup>th</sup> September 2021

Dear Parents and Carers,

I would like to welcome you back to a new, school academic year. You will be pleased to know that the children have all settled well and are displaying all our school values, as expected. The staff are pleased to be back and have lots of wonderful learning for them. As parents, whether you are new to the school or not we are pleased to have you as part of our community.

It is important to the school and to me, as the Head Teacher, to ensure you feel welcomed and supported, which has not always been easy during the last two school years. So, whilst we continue the new year with a 'cautious and measured approach' as per the guidance from the Local Authority, I would like to ensure you that the school want you to get in touch with us, for whatever reason. As it stands, now, staff can't talk to you 'face to face' so, as a school, we request you ring or email us. Please, do not feel that you cannot ring, it is important to us that we understand how you feel so that we can support you.

The school had planned for Afterschool Clubs to start up again this term, and Mrs Amphlett had them all setup and a letter ready to send out until our 'Outbreak Plan' came into force, which has meant we have had to delay them. An Outbreak Plan comes into force when there are 5 or more positive cases in school. Please, do not worry we will ensure they start as soon as we come off the plan and get the go ahead from the Local Authority.

The school must follow local and national guidelines, so it is important for everyone to understand that some of the decisions we make are because of those guidelines and expectations on the school. Your support and understanding of these expectations have certainly helped us all during what have been difficult times so we hope that this will continue as we move forward with optimism for the new year ahead.

Yours sincerely,

*V. MacDonald*
