RECORD RETENTION
SCHEDULE
January 2020
PRIMARY SCHOOL**

This retention schedule contains recommended retention periods for the different record series created and maintained by the schools Data Protection Officer. This schedule refers to all information regardless of the media in which it is stored (if records are retained electronically any backup copies should be destroyed at the same time). Some of the retention periods are governed by statute. Others are guidelines following best practice. Every effort has been made to ensure that these retention periods are compliant with the requirements of the General Data Protection Regulation 2016. Except for those that are governed by statute, if record series are to be kept for longer or shorter periods than laid out in this document, the reasons for this will be documented.
